[REDACTED],
PAU has advised that the press release to formally announce the 11 incoming Members will be released next week and they have been asked to hold off sharing the contact details until then.

As soon as they are received I will pass them on.

Subject: Board Members

Hi [REDACTED],

Colin is keen to be in contact with the new members. Can you send through contact details and also copies of their letters of appointment for our records?

Thanks
