

# Peatland Restoration in Practice

# Unfortunately, many of NI's peatlands are not in a healthy condition

Current estimates put more than 80% of NI's peatlands in poor condition whether due to pressures like historical drainage, turf cutting, or burning

# Cranny Bogs Ownership

**Lowland Raised Bog Option in EFS but only if on farm maps! Despite the prescription being not to graze it!**

**Landownership and Farm Maps don't always marry up!**
